**23/0222C Trent and Mersey Canal,
Liverpool Road West, Church Lawton, ST7 3DD
Formation of Field Access.**

Church Lawton Parish Council have the following comments to make regarding this application:

It was resolved to object to this application for the following reasons:

- There are several entrances onto the busy A50 (Liverpool Road West) in the close vicinity already. (See attached map)
- The canal bridge creates a brow in the hill which reduces visibility when approaching the site, especially from the West (Alsager). (See attached photographs)
- There is a bend in the road at the site location which further reduces visibility. (See attached photographs.)

The Parish Council therefore considers that a further entrance onto the A50 would present a significant hazard.
